

# 575 WORKMATE

The work horse of the Surtees fleet, Workmate is designed with a reduced cabin and larger cockpit that maximises deck space for serious fishermen – and serious fishing gear. The 575 Workmate is fitted with an ingenious fold-down roof that enables garage storage.

With its handling, stability and extended cockpit providing more deck space for fishing, another iconic fishing machine has been born.

Surtees iQ™ at it's best.
