The name says it all. Surtees Pro Fisher opens up a whole new experience for fisho’s that want nothing to get in the way of them and their catch.

Surtees Pro Fisher Centre Consoles are serious fishing machines offering 360 degrees of manoeuvrability and fishing space.

The Surtees 550 is New Zealand’s top selling fishing boat. It has a cult following for good reason having scooped up the award for Aluminium Fishing Boat of the show (under 6m) at the Hutchwilco Boat Show an incredible 6 times.

With Surtees SiQ™ built into every square inch, you won’t find a smarter fishing boat.
All our boats are safety certified to the European CE Safety Rating, globally the most strict safety standard and recognised in over 70 countries worldwide.
